SOCIAL ASSET FOUNDATION

An artisan collective in sustainable textiles

HANDBAGS CATALOGUE - 1

ABOUT US

Social Asset Foundation is a fair trade social enterprise which provides need based support to women artisans in terms of capacity building for better produce, design development, appropriate technology, access to financing and liaison with government for social entitlements.

This enables them to excel in their work, achieve desired quality standards in their practices and become more sensitive towards their workers, environment and children's rights.

THE HANDBAGS

Handbags in different natural textiles and sustainable materials viz. cotton, canvas, linen, jute, handmade paper, hemp, natural fibre and grasses, biodegradable recycled materials etc. by our women artisans.

Embellishments like hand-embroidery, patchwork, applique, threadwork are done on them by our women embroiderers as per buyers' requirements.
